

STAY WITH PEACE OF MIND

COVID-19 SAFETY PROTOCOLS

AYUBOWAN - A MESSAGE TO OUR GUESTS

The welfare of all our guests and team members is of the utmost importance, and Anantara hotels worldwide are busy implementing new health initiatives for when lockdown is lifted and our doors to discovery reopen.

While all hotels adhere strictly to local government and World Health Organization (WHO) guidelines, Anantara's new Stay With Peace of Mind programme features heightened cleaning and hygiene measures in compliance with industry experts, Ecolab. These rigid guidelines will be overseen by a dedicated Guest Guardian at each hotel, with all team members receiving ongoing training to provide guests with up-to-date information.

Building on Anantara's holistic 360 approach, extra sanitisation extends from all guest areas to supply chain deliveries, culinary preparation areas and housekeeping procedures. Guest wellbeing throughout their stay is also being enhanced by limited contact, safe social distancing and private experiences – from airport transfers, check-in procedures and dining, to immunity-boosting cuisine prepared by our culinary brigade.

WELCOME BACK

As we envision and hope for a brighter future, Anantara Tangalle Resort looks forward to welcoming you back with our traditional hospitality and personalised service – connecting you to this island we call home, immersing you in unique cultural experiences and celebrating the freedom to explore in authentic luxury.

GUEST TRANSPORTATION AND VALET SERVICES

1. A driver will accompany the guest during transportation and safe social distancing will be maintained.
2. The number of guests per vehicle will vary as per the type of vehicle to maintain safe social distancing.
3. All vehicles will be cleaned and disinfected as per Sri Lanka Ministry of Health guidelines.
4. Masks and gloves have been made mandatory for all drivers and hotel representatives to reduce the risk of contamination.
5. Disposable face masks, gloves and hand sanitizer provided to the guests in transit along with an iPad which includes resort information and menus within.
6. Telephone charging cables will be provided individually and hygienically sealed.
7. Valet parking service is not operational till further notice. Guests are required to park owned vehicles and retain the key.
